## School Meal Calendar

- WEEK 1
- WEEK 2
- WEEK 3
- WEEK 4

**A new menu cycle will begin in August. An updated menu will be sent home at the end of July.**

Students are offered five components daily: protein, grains, fruit, vegetables and milk. The student must take at least three of the five components, one being a fruit or vegetable, to make a meal. The USDA has allowed leniency for whole grains. The vast majority of the grains offered are still whole-grain rich items. Daily milk offerings: nonfat chocolate, nonfat strawberry and 1% white.
